

PRIVACY POLICY

This privacy policy establishes the way in which **L'ASSOCIACIÓ PER L'ESTUDI DE LES FILOSOFIES INDIES** (hereinafter, AEFI) treats and protects the personal data provided by persons interested in the activities of AEFI.

1. Identification of the Data Controller

The Data Controller who will collect and process the personal data is:

- Name: ASSOCIACIÓ PER L'ESTUDI DE LES FILOSOFIES INDIES.
- Address: Sínia Morera 10, Baixos 1ª, 08870 Sitges.
- CIF: G-67455329
- Registration data: Registered in the Registry of Associations with nº 66.717, Section 1ª.
- Email: andres@shamboioga.com

2. Personal data collected

The personal data that we will treat will be those that are required in each of the interactions with the people interested in the activities of AEFI. In particular, contact identification data: name and surname, postal and/or electronic address, telephone, and email; and, through the management application, class booking history, attendance records, membership type, and available credits.

3. Purpose and legal basis for data processing

AEFI will process personal data for the purposes detailed below.

3.1. Registration as an associate. Legal basis: contractual relationship.

3.2. i) Respond to requests and provide the information requested by the associates or ii) persons interested in associating, as well as performing basic administrative functions of these procedures, including registration for activities or courses organized by AEFI that they have expressly requested. Legal basis: contractual relationship and consent for the management of requests for information by interested persons.

3.3. Send electronic commercial communications, related to the activities of **AEFI**. In each commercial communication received by the recipients, we will provide the appropriate information to exercise their right or position in case they wish or put the sending of commercial communications. The acceptance to send commercial information is always revocable, without retroactive effects (as established in article 22.1 of Law 34/2002, of July 11, 2002, on services of the information society and electronic commerce). The refusal or revocation of such consent shall not affect the associative relationship existing between the parties. Legal basis: consent.

AEFI will not use personal data for the elaboration of user profiles, nor will it make automated decisions based on them.

5. Data retention

The data will only be kept for the time strictly necessary for each purpose of the treatment and will be deleted immediately afterwards, without prejudice to the legal conservation obligations provided for by law.

- For the purposes set out in sections 3.1 and 3.2 (i) the data will be kept as long as the associate status is maintained. Subsequently, once this relationship has ended, the data will be kept blocked preventing its treatment, except for the provision of the data to the judges and courts, the Public Prosecutor's Office or the competent Public Administrations, in particular the data protection authorities, for the requirement of possible responsibilities and only for the limitation period thereof.

- For the purposes indicated in sections 3. 2 (ii) and 3. 3, personal data will be kept as long as the user does not request its deletion. Once the deletion has been requested, the data will be kept blocked preventing its treatment, except for the provision of the data to the judges and courts, the Public Prosecutor's Office or the competent Public Administrations, in particular the data protection authorities, for the requirement of possible responsibilities derived from the treatment and only for the limitation period of the same.

6. Recipients

Personal data will not be transferred to third parties except in cases where there is a legal obligation or it is necessary for the performance of AEFI's activities. For the provision of the management application service, data is stored in the infrastructure of Supabase Inc. (database) and Vercel Inc. (hosting), both GDPR-compliant and subject to a data processing agreement.

7. Rights of the Data Subject

- a) Right to request access to your personal data: Anyone has the right to know if AEFI treats personal data that concerns them, or not. Data subjects have the right to access their personal data.
- b) Right to request the rectification of your data: That is, to obtain from AEFI the rectification of inaccurate personal data concerning you without undue delay.
- c) Right to request the deletion of your data (right to be forgotten): That is, the right to obtain, without undue delay by AEFI, the deletion of personal data concerning you.
- d) Right to object to processing: the right of the data subject to object, at any time, on grounds relating to his or her particular situation, to personal data concerning him or her being processed.
- e) Right to withdraw consent given: The data subject has the right to withdraw consent to the processing of his or her personal data at any time.

You can exercise your rights by written communication addressed to the Data Controller at any of the following addresses:

- Postal address: Sínia Morera 10, Baixos 1ª, 08870 Sitges.
- E-mail of the Data Protection Officer: andres@shamboioga.com

Finally, we inform you that you have the right to go to the Spanish Data Protection Agency to file a claim, if you consider that any of your rights have been violated. Through the following link, you will find the contact details of the aforementioned Agency.

8. Security

The personal data collected through this website and the management application are stored in the cloud infrastructure of Supabase Inc. and Vercel Inc., under the instructions of **AEFI**, as data controller, which assumes all technical, organizational and security measures that guarantee the confidentiality, integrity and quality of the information contained therein in accordance with the provisions of the RGPD.

9. Links

The Website may include hyperlinks to other sites that are not operated or controlled by **AEFI**. Therefore, **AEFI** does not guarantee, nor is it responsible for the legality, reliability, usefulness, veracity and timeliness of the contents of such websites or their privacy practices.

Please, before providing your personal information to these third-party websites, please be aware that their privacy practices may differ from ours.

10. Modification of the Privacy Policy

AEFI may modify, totally or partially, this Privacy Policy, publishing any change or alteration in the same way in which these conditions appear or through any type of communication addressed to users, at the choice of **AEFI**.

The temporary validity of this Privacy Policy coincides, therefore, with the time of its exposure, until it is totally or partially modified.
